NTHU: Please contact the CBMB office for the sticker of enrollment. The sticker should be added to the student ID card. A proof of the tuition payment is required.

Once the students renews the ARC, they may also need to update the information in the post office. Please make sure report to the program office once the information is renewed. And do not update it on 1st of each month to avoid administration issue. If not, the students may not be able to receive the stipend on time.
